CENTRIPETAL

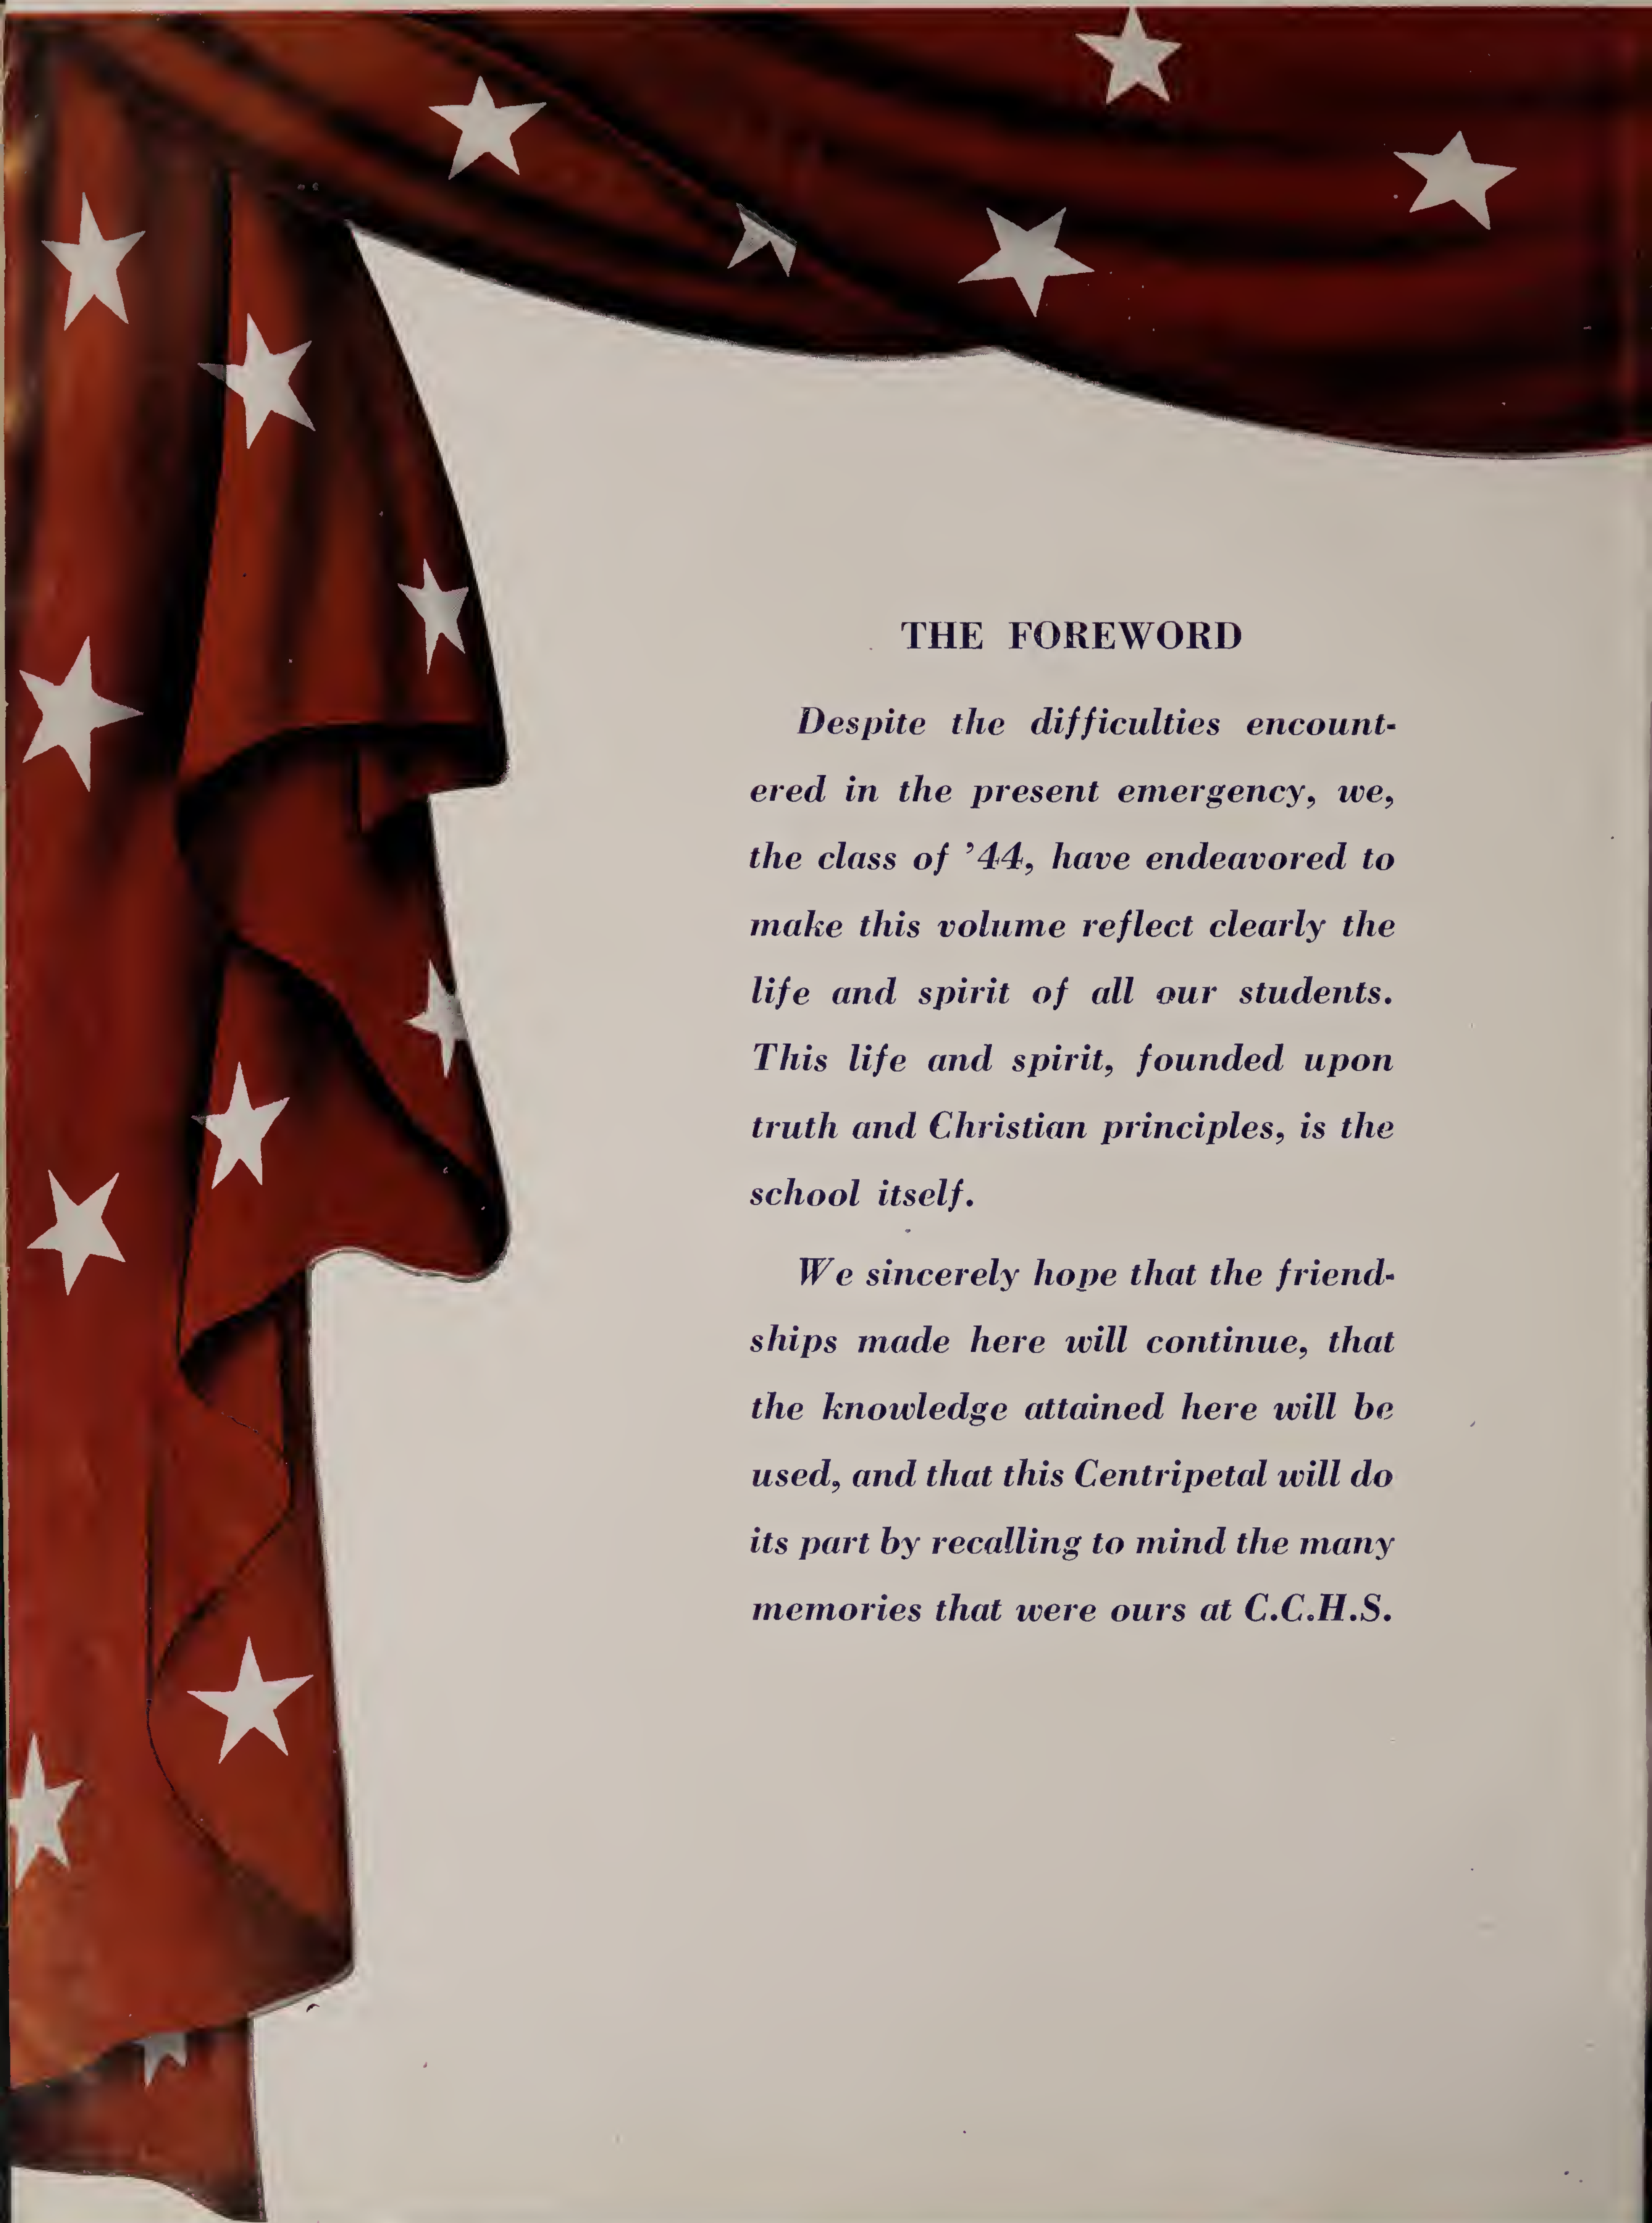
VOLUME
TWENTY-FOUR

PUBLISHED BY
The Senior Class of
Central Catholic High School
Toledo, Ohio



THE FOREWORD

Despite the difficulties encountered in the present emergency, we, the class of '44, have endeavored to make this volume reflect clearly the life and spirit of all our students. This life and spirit, founded upon truth and Christian principles, is the school itself.

We sincerely hope that the friendships made here will continue, that the knowledge attained here will be used, and that this Centripetal will do its part by recalling to mind the many memories that were ours at C.C.H.S.

DEDICATION

To the former members of C. C. H. S. serving as chaplins in the armed forces of our country we humbly dedicate this, the twenty-fourth volume.

Today on the battle fronts of the world, as in previous days in the shelter of the classrooms, they are spreading the doctrine of Christ's teaching and administring the sacraments.

We pray that their efforts will not go unrewarded, but that they will help restore the world to the recognition of Christ as the Ruler of all men and the Source of lasting peace.

THE REVEREND JOHN L. HARRINGTON, A.M., S. T. B.
Principal

A devout priest, a whole-hearted friend, a spiritual and scholastic guide, are the qualities found by the students in our principal.

Father Shenk, assistant principal, has shown, in his work with the students, a kind and sympathetic understanding of all their problems.

Fearful Freshman

Wondering just how we would ever fit into Central's life, 446 of us entered her portals Sept., 1940. A happy school body soon initiated us into all the various activities of the school. It wasn't long until we made ourselves heard. We became the first Freshman football team ever to represent Central.

Spirited Sophomores

We re-entered school with a new confidence, for we felt sure of our part in Central. With the help of our new principal, Father Harrington, we earnestly strove for more active participation in all activities. Spurred on by our successful sponsorship of tag day, we finished a happy year and envisioned a great Junior year.

Jolly Juniors

Recalling our happy vacation days, it was back to school we went. Footballs whizzed through the autumn air, as the Juniors dominated the varsity squad. We placed forty students on the honor roll. Great sighs of relief were heard as we completed our long Junior Essays. Lending our talent to help make the operetta a big success, as Jolly Juniors we looked ahead.

Serious Seniors

Now we, the Serious Seniors, look back on four successful years of high school life . . . many friends . . . happy days . . . joyful activities . . . all part of Central. We bid farewell with a grateful "thank you" to all . . . a promise to be loyal . . . and to uphold the traditions of our Alma Mater in everything.

FLYING HIGH

Three years ago our Juniors were off on a flight to a known destiny—graduation — which is now one year from them.

This year they have been flying high in their leadership of "A" students. Their fine sponsorship of Color Day and their excellent publication of the Junior Centric showed a great increase of knowledge and the ability to navigate under added responsibility.

Being well piloted by able officers, their bombs of endeavors hit their mark and their target for next year is on a plane of even greater accomplishment.

GETTING TRACTION

The Sophomores started their drive with a staunch spirit. Their plan of mass attack was to set booby traps for the unsuspecting Freshmen, Juniors, and Seniors. When the final count was recorded this class proved to be the leading platoon in regard to the Library drive.

Prior to this maneuver the Sophs showed they had the situation well in hand by concluding a successful tag day. Now they take a temporary leave of absence until they take up their posts as Juniors.

Freshmen — 1944

ANCHORS AWEIGH

The Freshmen came aboard the good ship C. C. H. S. as the largest group of "boots" ever to reinforce our bastion. Their voyage got off to a good start on Freshmen Day. The weather was stormy at first but they, with alert minds, set their compasses along a course of accomplishments. Many of the freshies "sounded off" for the various activities. The deck officers were well chosen and carried them safely into the Sophomore port.

Religion

Schedule

Religion, the predominant characteristic of a Catholic school, holds first place in Central's curriculum. This year the schedule shows a five-day period each week, instead of four, set aside for this subject. Each class carries on a detailed study of the various aspects of Christian doctrines.

Father Harrington explains to the freshmen the statement "Religion is the Foundation of Democracy."

Matter

Senior religion students, under the supervision of Fr. Dunne, Fr. Stahl, Fr. Shenk, Fr. McGowan, Fr. Schmit, Fr. Wharton and Fr. Mahoney, thoroughly studied the sacrament of matrimony.

The Juniors made an intensive research into the history of the Church; the life of its Founder and the mission of His Apostles.

Sanctifying and actual graces, along with the methods of attaining them, were the religious topics the Sophomores mastered.

To attain a greater knowledge of the Commandments of God and of the Church was the aim of the Freshmen.

Instruction

One day, each week, was assigned to the freshmen, sophomores and juniors for special instruction. The students reported to the Chapel, where Fr. Harrington took over the Religion period.

STUDENT SPIRITUAL COUNCIL

The Student Spiritual Council, under the guidance and direction of Reverend James E. McGowan, has instilled Christian ideals and principles in the student body. The aim of the Council is to increase the personal sanctity of the individual student in order to spread the kingdom of Christ.

Incorporated in the S.S.C. are the Apostolic Committee, the Saint John Berchmans Sanctuary Society, the Saint Vincent de Paul Society, the Catholic Action Students, the Catholic Literature Committee, the Saint Hilda Guild, and the Eucharistic Our Lady Committee.

ST. JOHN BERCHMANS SOCIETY

St. John Berchmans Sanctuary Society numbers 220 and was organized on its patronal feast, November 26, 1926. The purpose of the Society is to promote Religious Vocation and to give the boys the privilege of serving Mass and assisting at various Religious Ceremonies such as at First Friday Benediction, and the annual May Convocation.

Rev. Father James E. McGowan is Moderator of the Society.

Sister Mary Louis, S.N.D., in charge of sanctuary appointments, is Adviser.

The Apostolic Committee—The Missioned-minded boys and girls

THE EUCHARISTIC OUR LADY COMMITTEE

The purpose of this committee, under the direction of Sister Mary Roselma, O.S.F., is to increase devotion and love for Christ and His Blessed Mother, and to foster attendance at Mass.

Promotion of the Missa Recitata, the saying of the stations during Lent and the encouraging of a religious vocation from every conference room, are the activities undertaken by this committee.

SAINT HILDA GUILD

As the pictures so well indicate, the work of the girls of St. Hilda's Guild is sanctuary and sacristy care. They prepare the Altar for Mass and Benediction, lay out the vestments, and arrange cruets, Missal and vigil lights to be used in the Chapel.

The members of this club are under the guidance of Sister Mary Hilda, S. N. D.

THE APOSTOLIC COMMITTEE

To the Apostolic Committee goes the work of promoting student loyalty and devotion to the needs of Mother Church. Her home and foreign missions become a target for this groups' activities.

The success of the Christmas seal drive, the Parish Loyalty Week and the Mission Drive is due to their excellent work.

Student Spiritual Council

THE CATHOLIC LITERATURE COMMITTEE

To acquaint the students with books, pamphlets, magazines and papers written according to Catholic ideas is the mission of the Literature Committee.

In order to do this the members hold monthly meetings in the Library, with the supervision of Sr. Mary Anthony, O. S. U.

SAINT VINCENT DE PAUL SOCIETY

Helping the needy, visiting the hospitals, and making the student body aware of the wants of their less fortunate fellowmen compose the duties of the Saint Vincent de Paul Society.

The boys of this group, who are under the leadership of Fr. Schmit, derive many spiritual benefits from this work.

THE CATHOLIC ACTION STUDENTS

The Catholic Action Students' organization is a part of the great army of Catholic youth who have mobilized in various places throughout the United States, for the purpose of working towards the establishment of a Christian Social Order in the Student World. The organization here is under the immediate direction of Dr. James J. O'Toole, J. C. D., S. T. D., Diocesan Director of C. A. S. Both the girls' and boys' Catholic Action groups at Central have been very active this year and have competed favorably with their fellow-Militants in other large cities of the country.

THE BOYS' ART DEPARTMENT

The Boys' Fine Art Department, in the Mechanical Arts Building, has taken on a new appearance this year. The balcony has been removed. The mural depicting the history of Toledo can be seen to a better advantage. A work-room has been made into a work-shop where the various crafts are being carried on.

This year a special project in wood-carving was carried on by members of the sophomore, junior, and senior groups. This project consisted of the carving of a set of Stations of the Cross, which were placed in the Chapel at Central. Many other liturgical tasks were undertaken during the course of the year.

Freshmen boys learned the initial steps in wood-carving, making bookends, placques, drilling, wood-burning, carving and sawing of metal. The Freshmen also carried out their Christmas projects by making Christmas cards. This was done to really experience the joy in the making and of not buying the commercial objects which they were able to make.

The Boys' Art Department is under the able supervision of Sr. Mary Genevieve, R.S.M.

Girls' Art Department

It has been said, "Art is more God-like than science. Science discovers but art creates." It is the development of an appreciation for the beautiful and the acquiring of the powers to produce the beautiful. This is the aim of the Girls' Art Department here at Central.

Sr. Mary Hilda is the faculty advisor of the girls' art department. The department offers a complete four years course in design, composition, color theory, free hand drawing, poster sketching, dress design, oil painting, stage setting, etching, lettering, metal work, liturgical design, needle work, character makeup, block printing, clay modeling.

Music Department

In spite of his various duties throughout the city, Mr. Sainton has done much for the betterment of the Music Department at Central.

Under his direction, the orchestra, band and glee club have inspired a greater appreciation for the art of music in the minds of our students.

Sister M. Camillus has greatly aided in the works so nobly carried on by the department.

GLEE CLUB

The glee club, whose purpose is the development of the singing voice and the appreciation of music, consists of ninety-two members.

Another annual event of the glee club is to entertain through the Christmas program. The club also sings at other assemblies throughout the year. Its success is due to the splendid work of its director and supervisor, Mr. Sainton and Sister M. Camillus, O.S.F., respectively.

"The Gondoliers," a two-act musical comedy by Gilbert and Sullivan, was one of the finer operettas ever presented by the glee club.

CENTRAL CATHOLIC HIGH SCHOOL TOLEDO, O.

The Orchestra takes time off to pose

The Band makes a bow

ORCHESTRA

The orchestra consists of twenty-eight members. Instruments comprising the orchestra are: six violins, four second violins, two cellos, two bass violins, two clarinets, five cornets, two trombones, three drums and two pianos.

The greatest undertaking of the orchestra is to supply the music for the annual spring operetta. It also contributed to the success of the Senior Play.

BAND

Fifty-seven musicians, clad in scarlet and gray, make up Central's band. They not only play at the football games but also add zest to assemblies throughout the school year.

Credit also goes to the two drum majors, James Nally and Robert Rukowsky, who put the band through many intricate formations between halves at football games.

Library

Student Aid

Officers

Throughout the year the library has been a veritable bank of knowledge for all. The seniors in the continuous research, which their subjects demand, find it indispensible. In its department, the juniors were able to obtain all the reference their formal essays demanded. The reading room, with its shelves of biography, gave the sophomores much help in reporting on worthwhile books. It was truly a store house of knowledge for the freshmen. After several class periods spent in learning the "why and wherefore" of library science they were soon as much at home in its atmosphere as the upperclassmen.

All this information is made possible by the helpful assistance of the librarian, Sister Mary Anthony, O. S. U., and her staff, the Library Club. The officers of the Club are Gertrude McMonagle, president; Jeanne Recker, secretary; Eileen Metty, treasurer. The officers and members are selected to aid students throughout the day.

Dramatic Club

In its annual productions—the Senior Class Play and the Musical Comedy—the Dramatic Club has upheld the highest traditions of Central's theatricals.

Mr. Vincent S. Klein directed the Senior Class Play. Sister Mary Patricia O.S.U., is faculty moderator of the club.

Mr. Joseph Sainton directed the Musical Comedy, presented by the members of the Glee Club together with the orchestra. Sister Mary Camillus, O.S.F., acted as faculty supervisor of the Glee Club.

SENIOR CLASS PLAY

The Senior Class Play, "Old Doc," a three-act comedy written by Jean Lee Latham, was staged on the evenings of February 11, 12, 13, and 14, here at Central.

"Old Doc" is a story of a struggle that goes on in the mind of a young doctor, Bob Hillary. Should he practice in Mason County with his father, and be the next Doc Hillary of Mason County, or should he follow the plan he thinks right, to practice in Boston as Dr. Brand's assistant?

Margaret, his fiancee, says he should come and practice in Mason County, where his work is needed. She refuses to marry him if he goes to Boston.

When Bob goes on a trip with the Brands, he leaves a note telling his father of his plan not to return. Old Doc, after reading the crushing news, suffers a heart attack. A fake telegram, saying Bob is returning to practice with his father, brings about a sudden rally to health. Bob comes home just before his dad dies.

The fallacy becomes true when "Young Bob" takes his place as the next Doc Hillary of Mason County. Margaret, the home-town girl, becomes his wife.

THE GONDOLIERS

Gilbert and Sullivan's two-act musical, "The Gondoliers," was presented here at Central on the evenings of April 21, 22, 23, 24.

The story deals with the Duke and Duchess of Plazo-Toro who take their daughter, Casilda, to Venice in search of the King of Barataria to whom Casilda was wed in babyhood. Casilda is heartbroken when she learns of her marriage, for she is in love with Luiz, the drummer boy in her father's court. Since the infant King was stolen away in childhood by the Grand Inquisitor, Don Alhambra, his identity is not revealed.

In the meantime the Duke of Plaza-Toro and his suite arrives from Spain and Don Alhambra tells them that the rightful King is either Marco or Guiseppe, who have been married in the past half hour. In order to settle the question it is decided that both must leave for Barataria immediately, to rule jointly. There the matter is straightened out by the stolen King's foster-mother.

The end brings unforetold happiness as it discloses that Luiz, the drummer boy, is the rightful heir. Thus Casildia is united with the man she loves and the Gondoliers return to their wives and gondolas.

English Department

Required

Each and every student in Central is enrolled in one of the various English classes held daily. Since the study of English provides the fundamental language skills in correct and effective speaking and writing, it is made a required subject. This course also promotes an interest in the literary field, and acts as a stimulus to develop a literary interpretation of the truth, beauty and harmony found on the surface of the earth in everyday life.

Divisions

The courses in public speaking, journalism, and English Literature are open to the seniors while the underclass courses consist of literary work and grammar. English Clubs are formed by various classes to foster a keener interest in debate and literary work.

Pre-historic man interests Ancient history students

Three Fields

The history department at Central provides Ancient Medieval history for the Freshmen. The Sophomores enter into the complexity of Modern history. The story of the development of the United States and its government is matter for senior minds to tackle.

Activities

Each year the History department endeavors to sponsor an assembly portraying the work of outstanding men in history. Essays are written stating the importance of this subject in the school's curriculum. Civic booklets containing the highlights of each historical epoch and enumerating the citizens relationship to his government are constructed by the students.

Purpose

The Centric, a bi-weekly paper, carries the news of the various classes, assemblies, boys' and girls' sports, student organizations and topics of school interest.

Aim

In order to keep a record of outstanding events on the life of Central High School, the school paper was organized in 1920. This year's Centric Staff has tried to portray, as their predecessors did, the outstanding events of the year which they chronicled.

Dedication

The primary purpose of the dedication is to honor Central's seven priest members, two alumni, and the other five former teachers) who are now Chaplains in Uncle Sam's service.

Service

The Centripetal performs a threefold purpose: It provides the seniors with a record of their last year at C. C. H. S.; it furnishes the underclassmen with a pictorial review of the organizations, classes and sports in which they participated; it becomes a bond linking the faculty with the student body.

Language Department

SPANISH DEPARTMENT

Culture

To know the language of a people is the first step in learning their culture, their religion and in obtaining a deeper insight into their feelings and motives for action. With this in view, the students not only study the Spanish language but also acquaint themselves with the spirit, the culture and the customs of Spain.

"Ways and Means"

This aim is accomplished within the classes by reading Spanish stories, singing Spanish songs, giving Spanish plays and in conducting club meetings where "ways and means" to aid the Mexican children in Toledo are discussed and settled.

Second year Latin students "battle" with Caesar

THE LATIN DEPARTMENT

Objectives

The objectives of the study of Latin at C. C. H. S. are three—ultimate, immediate, and Catholic.

Ultimate

The ultimate objectives are those which involve educational values, namely, to cultivate the ability, knowledge, attitudes and habits which continue to function after the school study of Latin has ceased.

Immediate

The immediate aim or primary objective is the progressive development of the ability to read and understand Latin.

Catholic

The Catholic aim is to instill the spirit of feeling and acting in accord with the Church, which is accomplished by the study of selections from the gospels, the Fathers of the Church and the encyclicals of the Holy Father.

Language Department

FRENCH DEPARTMENT

Incentives

The French department contributes its share to the well-balanced Catholic schedule. Students study the subject as a major incentive to moral, intellectual, and social growth. For them it becomes a tool to use accurately, in contacting the great men and women of France, and in discovering the record of a vitalizing Christian people.

Aims

The department's three-fold purposes in presenting this topic are: To teach pupils to speak and write the language and to understand spoken French; to inculcate in them a broader understanding of the French people; to open up to them new and pleasant vistas and to develop a feeling of real accomplishments.

Activities

At the bi-weekly meeting of "La Cercle Francais" the members present interesting projects. "Visual trips" into the heart of France are made, puppet shows are produced and many French games are played.

First year French students attempting to "Parlez-vous"

Second year German class enjoy the story hour

GERMAN DEPARTMENT

Background

The study of German enriches the student's scholastic background, for it portrays the country's culture and sets forth the accomplishments of her great scientists and musicians.

Classes

Our present conflict with Germany caused no decrease in this year's German classes. Twenty-five first year and twenty second-year students find that this subject offers outstanding opportunities for future scholars.

Helps

A knowledge of the minds, habits and reactions of the German people enable those involved in the present crisis to have a deeper understanding and a greater insight into the lives of this people.

MATHEMATICS DEPARTMENT

The present students at Central have an added consciousness of the importance of mathematics in everyday life by observing its increased applications in all phases of the present war effort.

The math department at Central offers a four-year course in high school mathematics. To the Freshmen is presented the opportunity to master the fundamentals of algebra and general math. The Sophomores delve into the axioms and propositions of plane geometry, while the Juniors seek out the unknowns of advanced algebra. The solids of solid geometry and identities of trigonometry are the subjects pursued by those hearty ones who take Senior math.

During the year the seventh volume—four issues—of the Math Department's publication, "Al-Geo-Trig", was compiled by the Senior math students. The aim of this paper is to stimulate a deeper interest in math through the presentation of a wide variety of math news.

Seventy-one per cent of the student body, or 1176 students, took math at Central during the past year. The Freshmen lead all classes with 604 students, Sophomores are next with 298, the Juniors follow in third place with 173, and the Seniors with 103 are last because the war has taken many of their classmates.

Science Department

Students who are interested in the investigation of and the experiments in one of the various fields of science, are enrolled in some course in the science department.

Physics—Unfolds the nature of matter and energy and their relations to each other.

This course in science is large enough in itself to give adaptation to varying conditions, and the opportunity for the fostering of individual interests and abilities.

The project of the year is the writing of a 3,000-word essay.

Chemistry—Explains the different elements about us, what they are made of and the changes which they undergo.

Students spent two double periods each week in the laboratory working on the many chemical compounds.

The annual project may produce such model objects as gas masks, fire extinguishers, oil wells or chemical charts.

Biology—Acquaints the student with plant, animal and human life through the various stages of development. In their semi-weekly double periods, the students may disect bugs, frogs or worms, make posters on nutrition, compose bird books, or plant seeds.

General Science—Includes the study of air, water, heat, energy, weather, changing earth, magnetics, and electrical energy. This general course is the stepping-stone to some higher or specialized course in the scientific field.

Physiology—Is the study of the functions of the organs of the body. Through the knowledge that is stored up in this course the student is more capable of caring for himself in everyday living.

Aeronautics—Which celebrated its second anniversary in the curricula of Central, interprets the general principles of aviation, aerodynamics, and navigation and covers all phases of pre-flight aeronautics.

Although this course does not provide the facilities of actual experience in flying, the students all vouch that they have learned to fly without even leaving the ground.

All told, the Science Department develops in the students those habits and attitudes which enable them to attack the ordinary problems of life in a scientific manner.

Mechanical Drawing Department

Father Schmit gives last minute instructions to his class

MECHANICAL DRAWING DEPARTMENT

Once again, after a lapse of four years, the Brewster Special. (aeroplane) powered by an Aeronca motor, has been dismantled and every minute detail has been drawn and assembled on paper into the exact replica of the original.

Details were drawn by both junior and senior classes under the direction of Rev. G. W. E. Dunne, A.M., Litt. D., and Rev. A. T. Schmit, A.B. The elevation drawings were produced by the following boys:

Fuselage of Brewster Special	Robert Cichy, Dennis Shea
Real Elevation Cutaway of Aeronca Motor	Joseph Yager, traced by James Sullivan
Front Cross Section "Motor"	Raymond Wyoszinski, Daniel Kwiatkowski
Control Mechanism of "B. S."	Robert Hager, Richard Heintschel
Layout of "B. S."	Thomas Hoffman
Rear Elevation "Motor"	Richard Albright
Side Elevation of "B. S."	John McAleese
Longitudinal Section of "Motor"	Arthur Winterhalter
Front Cutaway of "Motor"	Richard Gorny, traced by William Gross

CHI-RHO DRAFTSMEN'S GUILD

This group is made up of Father Dunne's mechanical drawing classes. Their principal aim is twofold: to keep alive, not only in school but also after graduation, the brotherhood of these draftsmen and to help the boys spiritually by encouraging their frequent reception of the Sacraments. It assists any member of the Chi-Rho in seeking a recommendation for future employment. Numerous positions have been secured for graduates by former members of this guild.

Officers of the Chi-Rho are:

President	Daniel Kwiatkowski
Vice President	Joseph Yager
Secretary	Richard Gorny
Treasurer	Dennis Shea
Sergeant-at-Arms	John McAleese
Moderator	Rev. G. W. E. Dunne, A.M., Litt.D.

Home Economics Department

PURPOSE

The purpose of Home Economics is to teach homeliving and homemaking. The important phases studied are Food and Nutrition, Clothing and Related Arts, Home Furnishings, Home Management, Family and Social Relationship, and Home Nursing.

STUDY OF CLOTHING

From their study of cloth, the girls learn to be intelligent buyers; to know fabric; to ask for materials according to the need of the article. After constructing garments, they appreciate well made purchased clothes. A pride in making their own clothes, with consideration for line, color and a distinctive touch of original decoration, develops as the girls progress.

"A stitch in time saves nine"

"Your money back if not satisfied"

COSMETOLOGY

Good grooming is a valuable asset in every day's demands—at home, in school and in business. In their study of cosmetology the students learn that well kept hair, teeth, hands, nails and skin, along with body cleanliness, health, good posture and appropriate clothing, are important factors in their lives. The acquisition of poise, self-confidence and happiness assures the girls of success in social contacts.

COMMERCIAL DEPARTMENT

To prepare the students for later life in the commercial field, Central affords them the opportunity of learning a quick method of office work.

The first year's course requires a mastery of the fundamental principles of Gregg shorthand. In addition to this a two year course of typing is offered. The aim of the advanced classes is to merit the Gregg 100-word Shorthand certificate and to acquire a type-writing speed of 50 words a minute.

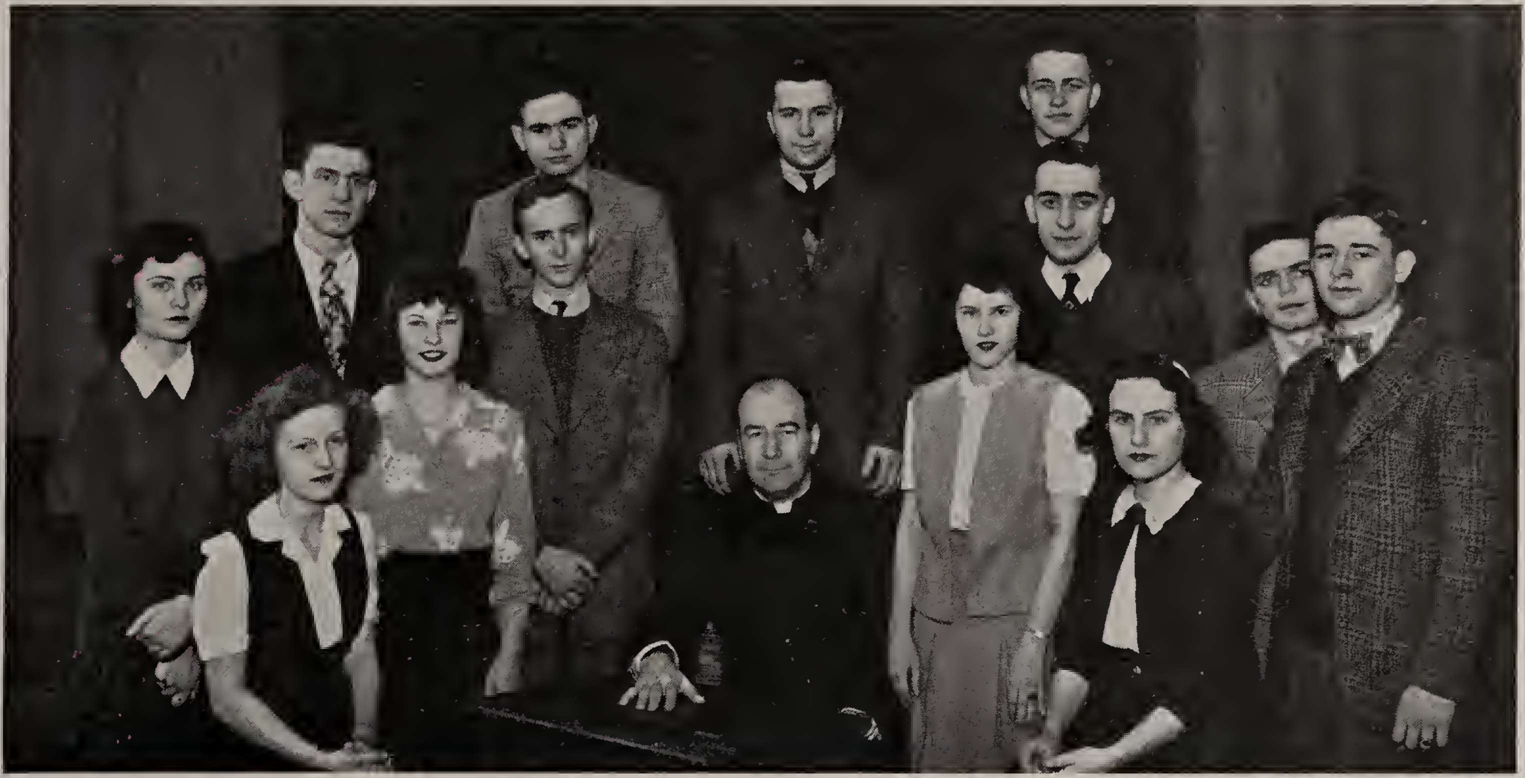
Bookkeeping and accounting are based upon economic changes, business practices, and the modern trend in curriculum revision.

Student Council

EXECUTIVE COMMITTEE

The executive committee, which guides the Student Council meetings and activities, consists of the four elected Student Council officers, the Senior Class officers, the underclass presidents and the special officers in charge of activities, traffic, and publicity.

The faculty advisors of the Student Council are the Rev. J. D. Shenk and Sister M. Eventia, S.N.D.



Standing: Mary Helen Harpen, William Navarre, Betty Zitzlsperger, Frank Venner, Robert Kronbach, Jack Schreiner, Mary Ann Oswald, Joe Hermiller, Paul Reynolds, Jack Murnen, Robert Etzel.

Seated: Jeanne Szyperski, Father Shenk, Rose Marie Wilhelm.

Delegates

The Student Council has always been one of the outstanding organizations at Central. As the representative body of the school it is composed of all the class officers and one delegate from each conference room. The chief duties of the Council are to formulate plans for direction of student activities and for the building up of ideals for the imitation of the students.

Patrol

To create school spirit and establish control of conduct in the halls during the periods, the traffic patrol has been set up to regulate traffic in the halls and on the stairways between periods.

Activities

The activities carried on throughout the year were numerous, diversified and colorful. The junior members sponsored the traditional Color Day in November, while the sophomores were responsible for Tag Day in January.

Dances were held in our auditorium at various times throughout the year, greatly helping to develop a better familiarity between the students.

During the course of the year civic undertakings were also promoted in the school for student participation. Included among these were the sale of War Stamps and Catholic Chronicle subscriptions, and the securing of War Chest contributions.

Mr. Patrick McCarty

COACH McCARTY

Patrick Francis McCarty, graduate of Central in 1934, took over the coaching duties of the football and basketball teams this year, replacing Mr. James McCarthy and Mr. Adolph Tscherne.

While attending Central, Mr. McCarty played center on both the football and basketball teams, and infield on the baseball team. In his third varsity year on the football team he was chosen all-city center and honorary captain. During his four years at Central, Mr. McCarty earned a total of nine letters.

After leaving Central, Mr. McCarty entered Notre Dame University, where he won reknown as an All-American. Upon graduation he became coach at Ursuline High in Youngstown, Ohio.

We, of the student body, wish to extend our thanks to Mr. McCarty for giving us a football and basketball team of which we can be proud.

DR. MUENZER

Dr. Joseph A. Muenzer once again took over the duties of team physician for the "Fighting Irish" this season. The Doctor had a busy time this fall with the numerous injuries. His kindly help and advice won him many friends both on and off the football field. His pleasing personality and interest in Irish athletics are a tradition at Central.

Dr. Joseph A. Muenzer

Mr. Lawrence Bondy

COACH BONDY

Mr. Lawrence Bondy, coach of the champion lightweight cagers, and backfield coach of football, has been inducted into the United States Navy. After his basic training at Great Lakes he expects to receive a commission as deck officer.

A graduate of Central Catholic High and DeSales College, he starred in football and basketball. Returning to Central in 1942 Larry coached the lightweight and freshmen football teams and also the lightweight basketball team. His freshmen gridders won the Freshmen City League championship last year.

In the 1943-44 season he became backfield coach for the varsity and coach of the lightweight cage quintet. Under his guidance the lightweights captured the city league championship.

Grateful thanks from all the Centralites go with Mr. Bondy as he leaves the sports field for the service.

Football Schedule

CENTRAL 12 — LIBBEY 0. The Fighting Irish started out like champions. Duane Malinowski scored both touchdowns; one of them after an eighty yard run.

CENTRAL 40 — DE VILBISS 0. A powerful ground attack smothered the Tigers as Pinciotti scored twice while Malinowski, Carr, Tinta, and Antoine scored one each.

CENTRAL 40 — SCOTT 0. Continuing their unbeaten, unscored on record, Central romped over the Bulldogs at will. Once again the Irish stuck to a ground attack and played one of their best games.

WAITE 12 — CENTRAL 7. Central held the Indians for 29 minutes and 20 seconds . . . but Wandtke of Waite. on a fake pass, reversed his field and slipped over for the winning touchdown.

LIBBEY 25 — CENTRAL 0. The Cowboys drove through the Irish line at all points in getting revenge for their first round beating.

CENTRAL 13 — DE VILBISS 6. Passes won this game for Central. Although both touchdowns were scored on line plunges, aerials accounted for most of the yardage.

CENTRAL 33 — SCOTT 13. Showing much of their early season power, the Scarlet and Gray routed the Bulldogs for a second time. Jim Carr pulled off the best play of the evening when, after attempting to pass, he started running from the 26 yard line and eluded all tacklers to score.

CENTRAL 18 — DETROIT CENTRAL 13. Playing in ankle deep mud the Irish broke a 13 game record of D. C. C. by overcoming a 13 to 0 halftime deficit and defeating the favored Detroiters. Bob Kronbach starred for Central scoring two touchdowns and paving the way for the third.

CENTRAL 0 — WAITE 27. Although the Fighting Irish really fought they were unable to stop the Indians. Central threatened only once at Waite's 9 yard line—Juhasz's pass was intercepted.

CENTRAL 0 — WOODWARD 0. Central closed their 1943 football season by battling the Woodward Polar Bears to a 0—0 deadlock.

Sports

CHEERLEADERS

Something new was added to the sports record of Central this year. Charming "Cheerleaderettes" appeared on the scene of action to reinforce the meager staff of boys. Although the girls were new at the job, they proved they could match any cheerleaders in the city in leading the voices of the "Fighting Irish."

To stimulate 1500 students to give forth loyal and lusty cheers is no easy task. The cheerleaders must work precision-like to hold the attention of the student body and keep the cheering organized. Much off-the-scene practice is also done so that the actions used will be uniform. The Cheerleaders and "Cheerleaderettes" did a magnificent job through the year.

MANAGERS

No team is complete without the managers. This year's staff, headed by the four-year veteran, Joe O'Brien, has performed willingly and well.

The manager's task is a difficult one with no reward except the grateful appreciation of the players. All the Centralites wish to express, at this time, their gratitude to the loyal fellows.

Standing: Dick Thornton, Joe O'Brien, Gene Sartor, Joe Mallon, George Stokes, John Riefsnider.
Seated: Dave Barrett, Dick Blagus, Bill Koogan.

LIGHTWEIGHT FOOTBALL

Fathers Shugrue and Fuqua proved that they knew all the angles of coaching as they put the lightweights through their paces this year. The lightweights were not too successful but they held up their heads in the city league as they completed the season with a .500 average.

Nineteen seniors graduate this year from the varsity squad and the lightweights will be called on to fill these vacant positions. Many of the lightweights show good football abilities which will be valuable on the varsity squad.

Basketball

December 3 **DEVILBISS AT CENTRAL**

Jack Pfeiffer and Sam Botek united their efforts with Brown and Maher to stop the Irish and administer Central's first loss, 50 to 36.

December 7 **GIBSONBURG AT CENTRAL**

The "Fighting Irish" chalked up a close win by defeating the Gibsonburg "Bears," 46 to 44, in a Tuesday evening contest.

December 10 **CENTRAL AT SCOTT**

John Mullen had a field day, netting 9 buckets and 1 free throw for 19 points as the Shamrocks coasted to an easy victory over the Collingwood Avenue "Bulldogs," 48 to 29.

December 14 **PERRYSBURG AT CENTRAL**

Central's Cagers displayed fine teamwork in turning back the Perrysburg "Yellow Jackets," 59 to 41. Mullen, Murnen and Helvey took scoring honors, the former accounting for 17 and the latter two, 12 points each.

December 17 **WOODWARD AT CENTRAL**

The "Polar Bears" packed too many guns for the less experienced Irish, winning 52 to 41. Fifteen hundred people witnessed the contest as the "Bears," paced by Johnny Payak, held on to their first place in the city league.

January 4 **FREMONT ST. JOSEPH AT CENTRAL**

The Irish piled up an early lead so the second string saw action as St. Joe's fell before the McCartymen, 53 to 33.

January 7 **CENTRAL AT WAITE**

A three-minute overtime was necessary to scalp the defiant "Indians," 29 to 27. Foul shots by Helvey and Murnen in the overtime period won the game for Central.

January 9 **CENTRAL AT ST. WENDELEIN, FOSTORIA**

Trailing for three quarters, the Shamrocks staged a late rally to defeat the Saints, 40 to 38, on their own floor.

January 14 **LIBBEY AT CENTRAL**

"Mogus" Mullen again led his team to victory, scoring 14 points. The last quarter proved the Cowboys' downfall as Central pulled ahead to win, 39 to 36.

January 21 **CENTRAL AT MACOMBER**

Strengthening their hold on third place in the city league, the Scarlet and Gray overcame the Craftsmen, 39 to 37, after two overtime periods. Dick Bayer saved the day by sinking a fielder in the sudden death overtime.

January 22 **OTTAWA HILLS AT CENTRAL**

Ottawa Hills was the seventh straight out-of-town victim of the Cherrystreet Cagers, 38 to 23.

January 28 **CENTRAL AT DEVILBISS**

The "Tigers" defeated Central 43 to 41, but they had pull doing it. "Bull" Helvey played a whale of a game for the Irish, scoring 12 points.

February 1 **CENTRAL AT MAUMEE**

Coming from behind, the Irish piled up enough of a lead to let the reserves play. Maumee was topped, 45 to 41.

February 4 **SCOTT AT CENTRAL**

The "Bulldogs" gave the "Shamrocks" a tough time for three periods before Central started clicking. However, Mullen and Kronbach began to hit the net and the Irish pulled ahead to win, 60 to 48.

February 11 **CENTRAL AT WOODWARD**

Woodward's "Polar Bears" walloped the "Fighting Irish" in a decisive manner, 66 to 31.

February 15 **WAITE AT CENTRAL**

Reversing the decision of their first round meeting, the "Indians" scalped Central's Quintet, 64 to 55. Tom Inman paced the Waite Cagers with 23 points.

February 18 **CENTRAL AT LIBBEY**

A rapid fire offense beffuddled the "Cowboys" as the Irish played like champions to win, 42 to 29.

February 22 **CENTRAL AT ROSSFORD**

Bob Kronbach paced the Central Cagers with 14 points in the ninth straight victory over non-league opponents. It was Rossford this time that succumbed 44 to 36.

February 29 **MACOMBER AT CENTRAL**

The last league game was disastrous for the "Irish" as they toppled to a 32 to 28 score. Kronbach was high man with 9 points. The season ended with Central tied in second place with Waite and Macomber.

LIGHTWEIGHT BASKETBALL

Mr. Lawrence Bondy's crowning achievement, in his last year at Central, was the coaching of the city championship lightweight team.

The first game of the season was lost to DeVilbiss on a foul shot but this loss seemed to spark the team to increased energy. After that game, the lightweights took 17 straight victories and the city championship crown.

Seated: Coach Larry Bondy, Dale Babione John Delp, Arthur Bok.

Standing: Frank Pinciotti, John Wells, Dick Saelzer, Jim Warrick, Paul Reynolds.

COACHES

Newcomers to the Irish coaching staff are Fathers Shugrue and Fuqua. At the start of the football season the two priests were asked to take over the coaching of the lightweight pigskin squad. After football was over they then had the freshman basketball team under their expert direction.

The proof of their coaching abilities lies in an unbeaten basketball team and a lightweight who broke .500. The priests hold equal positions on the coaching staff.

Father Fuqua had his early coaching experience in Philadelphia while Father Shugrue displayed his in Wilmington. Both priests have done a wonderful job of coaching during their first year at Central. Future years should hold many victories for them and their teams.

FRESHMEN BASKETBALL

A championship basketball team mirrors the coaching abilities of Father Fuqua and Father Shugrue. Over a hundred boys showed up when the call went up for freshman players but by careful weeding ten boys, the cream of the group, were selected by the coaches.

These boys proved an unbeatable team. Every high school freshmen team in the city fell prey to their expert swishing. These boys will be next year's lightweights and if all goes well they should stand high in the city league.

Captain Dick Murnen and Paul Fitzgerld were absent at the time the picture was taken.

Seated: Francis Mlynarek, George Smith, William Blackwell, Larry Beckler.

Standing: John Riefsnider, Frank Novotny, Kenneth Wilson, Paul Serke.

Minor Sports

GOLF TEAM

Coached by Rev. W. A. Stahl, captained by Robert McDuffee, and managed by James Kranz, the golf team went through a very successful season this year. The 1944 team consisted of Francis Beakas, Richard Gorny, Thomas Cole, John McGowan, Robert McDuffee, James Kranz, and Paul Reynolds.

BOWLING TEAMS

Central's three bowling teams, coached by Rev. A. T. Schmit, finished a fine season in both leagues. The Americans, headed by Bernard Restivo, and the Shamrocks, led by William Bothe, finished second and third in the American League, respectively.

The Nationals, captained by Benjamin Dudek, finished fifth in the National League.

Girls' Sports

Under the direction of Miss Frances Dunigan, the Girls' Athletic League, in its fifteenth active year, completed an interesting and full program. For the first time gym classes were held four days a week to accommodate the 400 girls taking gym. On Monday and Thursday social and square dancing was taught to the freshmen in the basement of the Mechanical Arts Building.

Officers elected at the first meeting were: Matilda Young, President; Patricia Brazzil, Vice-President; Evelyn Katafiaz, Treasurer, and Winifred Geis, Secretary.

Playdays were held monthly and refreshments were served. On October 26, a roast was held on the football field and on February 26 the Alumni were entertained.

Basketball teams were organized by the various conference rooms to compete in Intra-Mural games held after school on Fridays.

Throughout the year tournaments succeeded the Volleyball, Hitpin, and Basketball practices.

BOWLING

A group of bowling teams bowled every Thursday at the Auditorium Alleys. The highest scoring team was the Balls of Fire made up of five Junior girls.

G. A. L. activities which took place during the year were recorded in a scrapbook by Winnie Geis.

Letters were awarded at the final meeting of the year.
